History

Monson Academy owes its founding, its enduring strength, and its promising future to the co-operative and generous efforts of many people throughout its long history.

The Reverend John Willard joined with others in arousing public interest to obtain a state charter for the school's founding in 1804. The first Headmaster, Simeon Colton, set out to build a truly outstanding school. Charles Hammond, a former student at Monson and a graduate of Yale University, returned in 1839 to begin twenty-four years' service as principal.

The physical plant increased with the student body, and in 1844 the first laboratory was erected. The site of this old laboratory, one of the first in the United States, is now occupied by the Holmes Gymnasium. In 1845, under Dr. Hammond, the whole school was renovated and modernized.

In 1886 a more substantial granite and brick classroom building was erected. At the turn of the century the Holmes Gymnasium was constructed, and four years later, Cushman Hall. An older dormitory, Hammond Hall, was torn down at the same time to make room for a headmaster's residence, Hammond Place. Shortly thereafter Cushman Memorial Field was given by Edward C. Cushman.

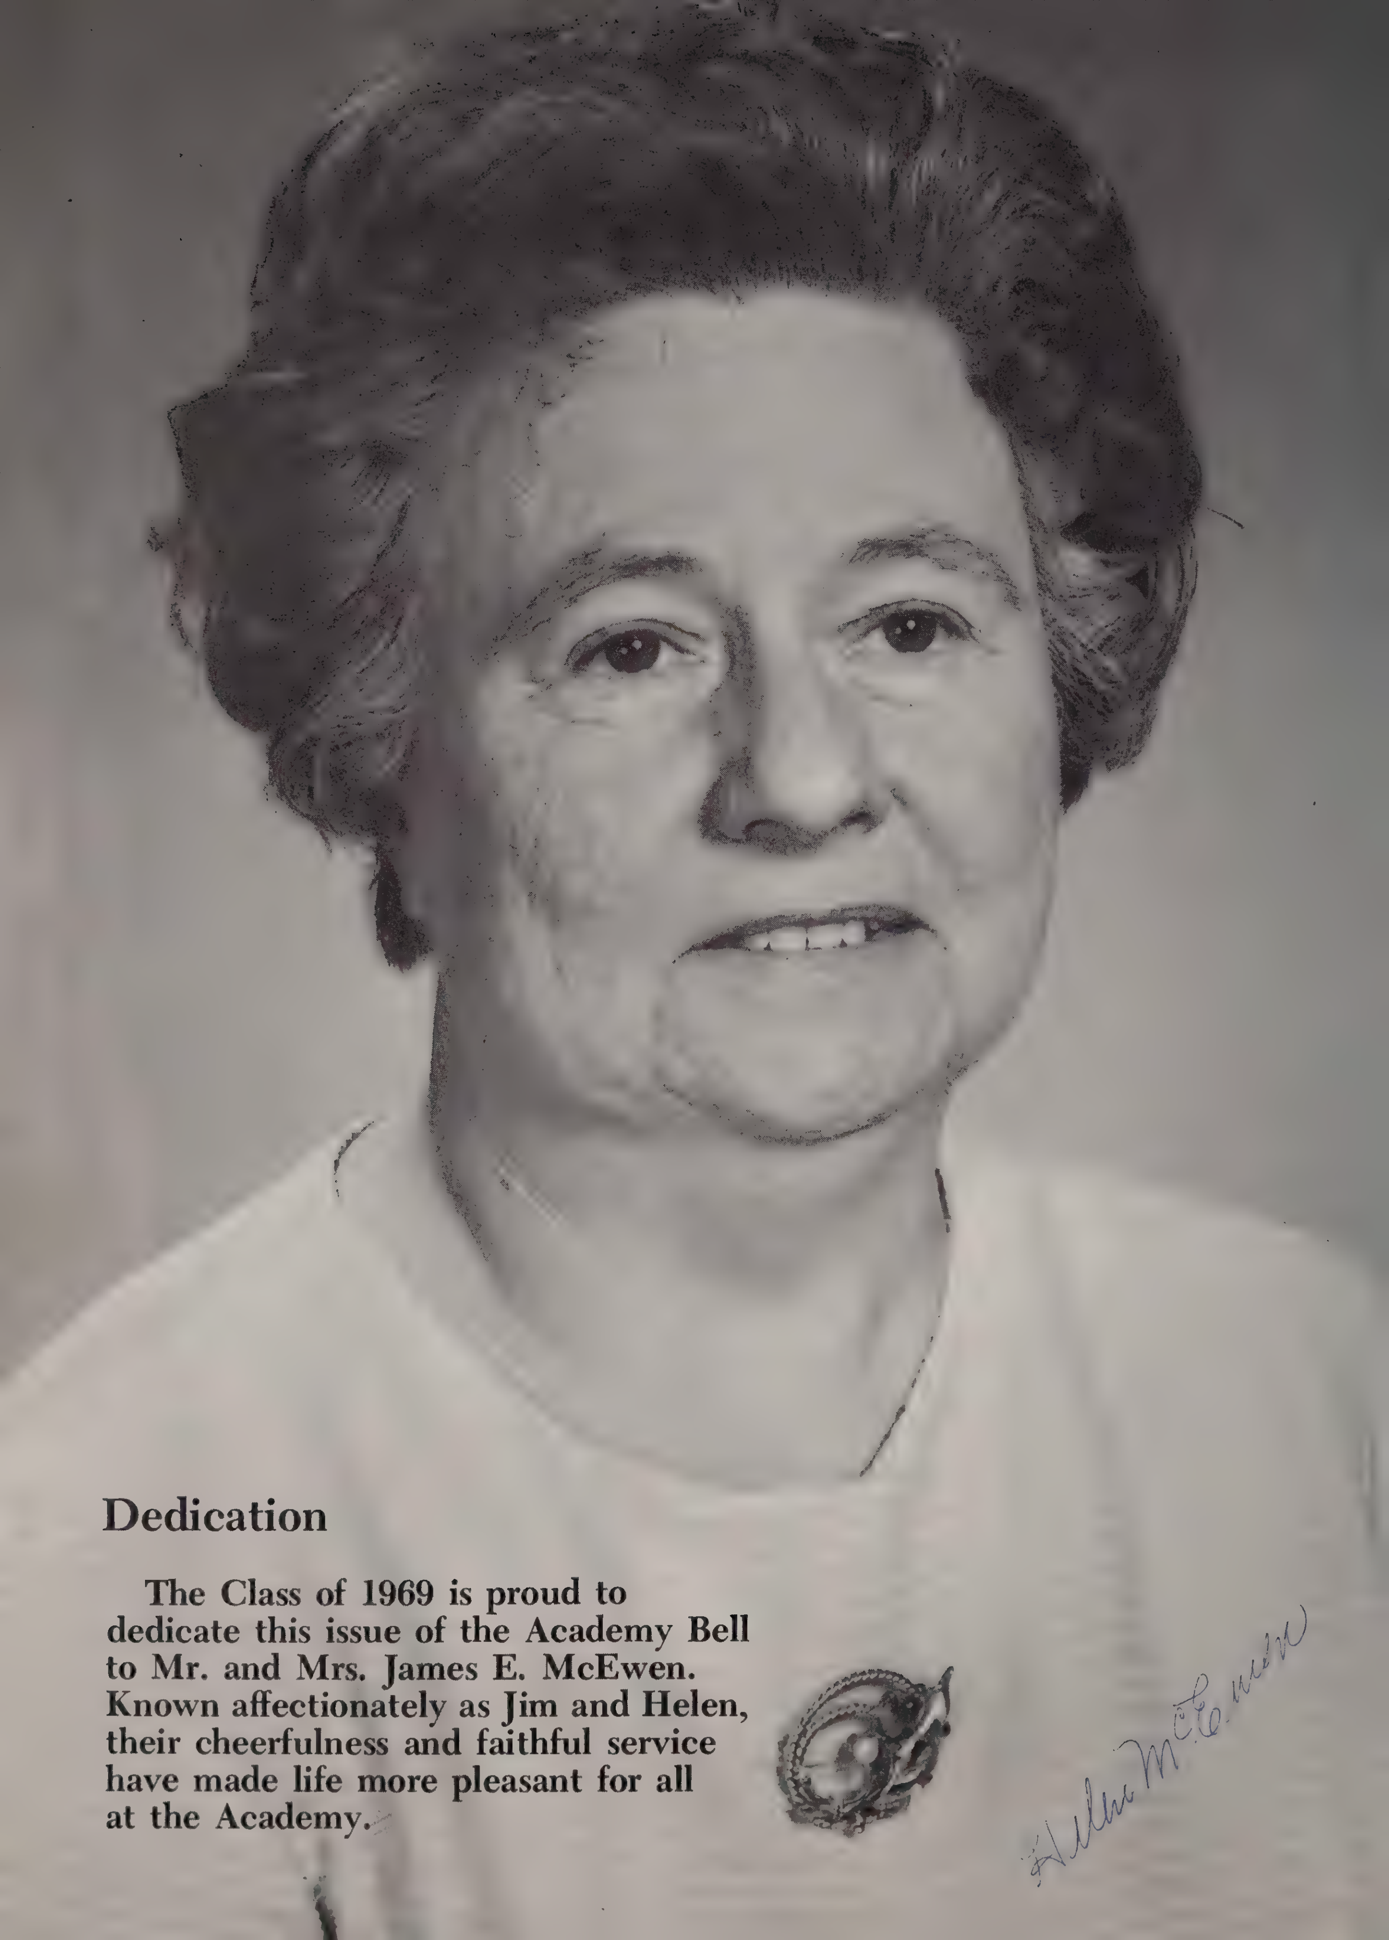
After World War I, while assisting the Town of Monson to start a separate high school, the Academy temporarily suspended operations. It reopened in 1926 as a preparatory school for boys under Headmaster Bertram A. Strohmeier. By that time an additional dormitory, Morris House, had been deeded to the Academy.

Mr. Strohmeier was succeeded in 1935 by Mr. George E. Rogers. In 1947 the Academy acquired two additional resident houses, Chapin and Holmbrook. Two years later the present Rogers Field was constructed. In 1953 Academy Hall was swept by fire. The following October, on the occasion of the school's Sesquicentennial Celebration, a new classroom building, Alumni Hall, built to replace it, was dedicated.

When the Academy purchased the large house and property just north of Alumni Hall in 1956 for use as the Headmaster's residence, Hammond Place was converted to a dormitory. In 1962 the Harper Gymnasium was completed, and four new tennis courts were constructed behind Holmbrook. An addition to Alumni Hall was ready for use in 1963. Made possible through the generous gift of Mr. and Mrs. Earl T. Harper, it consists of three classrooms, an excellent foreign language laboratory, and a faculty lounge.

A new library adjacent to Alumni Hall, an important project supported by the Alumni Association, was completed in 1966. During the same year Dr. Rogers announced his retirement. He was succeeded by Mr. Arthur F. Tuttle, Jr.

Additional athletic fields were constructed south of the present Rogers Field in the summer of 1968. The Board of Trustees also announced the admission of girls as day students. Girls had been enrolled at the Academy from 1806 until 1923. Late in the fall, ground was broken for a 60-bed residence Hall in the Flynt Park area.



Dedication

The Class of 1969 is proud to dedicate this issue of the Academy Bell to Mr. and Mrs. James E. McEwen. Known affectionately as Jim and Helen, their cheerfulness and faithful service have made life more pleasant for all at the Academy.

This year the Lions, a good-conditioned, hustling, cohesive unit, demonstrated two strong points: an aggressive defense and a vicious passing attack.

The defense was led by Bruce Franks, Bob O'Neill, Jack Kaminski, and Marc Schweiger. These four players combined to make 183 tackles in 6 games, with Bruce Franks leading the defense with 55 tackles. The fine defense secondary — sparked by its two mainstays, Kevin Boyle and George Johnson — intercepted 9 passes in 6 games. The defense in 'blocking four kicks this season set up two offensive scores.

The offense was centered around the passing of Dennis Camuse and the muscle of "work horses," Johnson and Palmer, in the backfield. Camuse completed 40 out of 68 passing attempts for a gain of 532 yards. The leading pass receivers were O'Neill who caught 16 passes for 302 yards and Boyle who caught 6 passes for 123 yards. Monson's running threats were George Johnson who ground out 366 yards in 90 attempts and sophomore Leroy Palmer who, in gaining 283 yards in 60 attempts, averaged a respectable 4.7 yards per carry. The leading offensive scorers were O'Neill who tallied 32 points and Boyle with 12 points.

The Young Lions, finishing with a two-win and three-loss season, remained winless until exploding on the Avon team for a 20–6 win, after having lost to Mt. Hermon by a 14–8 score and to Kingswood by 18–0.

Confident, fired-up, the Young Lions surged over the Lenox team for a 34–0 victory.

In the last game of the season, despite their drive and self-confidence, the team yielded to Worcester 16–8. However, the Young Lions will roar again!

Injuries to key players plagued a somewhat successful third team season. The season opened with injuries and a 20–0 loss to Wilbraham. Although hard work and pressure and encouragement from the coaches seemed to produce a proud and talented team, they again fell to Eaglebrook, 36–20. With the help of the J.V.'s they rolled to a 20–6 victory over Avon Old Farms' Junior Varsity. Victory felt good, and they posted their second win over Tantasqua, 28–6. The 2 and 2 record was put on the line against Palmer High's third team. Palmer took all the marbles with a 40–2 win.

The leading scorer was third-team veteran, George Keffer, with 3 touchdowns and 2 extra points. Others in the scoring race were Charlie Hughes, Bob Pittendreigh, Rick Sykes, Bob Brown, and defensive player Rick Loucks who was credited with a safety.

Varsity Soccer

This year's Varsity Soccer Team moved from the agony of defeat to the thrill of victory — from a crushing 11–0 loss to Williston on the opening game to a season-ending 2–0 victory over Lenox.

With only two returning lettermen, Robert Strohmeier '70 and Robert Tartaglia '71, some time was needed for the team to learn to work together. It was in the second game of the season at Suffield, that the team first began to show the drive and teamwork that led them finally to victory at the end of the season. In the game with Lawrence, Strohmeier scored Monson's first goal of the season. However, Lawrence edged by 2–1.

Alumni Day found the team away on a rain-soaked field at Wilbraham. There were several mishaps — Strohmeier suffered a slight concussion, and Thomas Kennedy '70, and James Leahy '70, knee injuries. The defense, particularly Edward Olmsted '70, William Rowe '69, and Martin Perry '69, kept the score down to 2–0.

On the coldest day of the season, the Lions faced Pomfret. With a new goalie, Christopher Knowles '70 and Charles Brown '69 back in the center-half slot, both the offense and defense were stronger. Strohmeier scored in the first half, but Monson was again beaten in the second half.

In the last game of the season, the team finally found the consistency they had been searching for all season. Again it was Strohmeier who banged in the only two goals of the game, one of them on a fine assist from Geoffrey Norcross '71 from the right corner. Because of the combined effort of Raymond White '70 and David Pikul '70, the "Mini-Brutes", and the rest of the line, the two goals were inevitable. Knowles was outstanding in the cage, and Jeffrey Peden '69 turned in his best performance of the season. For the team and its coach, Mr. Robinson, the victory was a just reward for their weeks of hard practice, during which they had suffered some disappointing defeats but during which they had never lost the desire to win.

This year's Junior Varsity Soccer Team ended the season with a 1–8 record. However, this record is not indicative of the desire and enthusiasm which the team generated. Under the guidance of Mr. Richard Wheelan, the players developed their talents rapidly. In their games, they showed a consistent ability to fare well against teams and schools often more than twice their size. Captains Gregory Bejarano '72 and David Siskin '70 led their team admirably through many close games, with high spirits and a desire to win that few teams could match.

One of the outstanding players on the team was Dennis Corbett '71, who was responsible for the most goals and assists. At inside right, Edward Mannix '71 did a fine job in contributing to the goals scored throughout the season. Both these boys, along with David Blanchard '72, all up from Soccer III, turned in commendable performances. The newcomer from Virginia, Jeffrey L. Grant '71, also did a fine job at the inside-left position.

Defensively, Louis Spencer '70 at right fullback, was outstanding. Not forgetting the man in the cage, John Guarco '71 proved to be a formidable obstacle to "would be" scorers.

The Soccer III Team, with rookie coach, Mr. Carey, opened the season with well-contested losses to Eaglebrook and Wilbraham. After the Wilbraham game, the team lost three of its best players, Edward Mannix '71, David Blanchard '72, and Dennis Corbett '71 to the Junior Varsity. The team dropped its next two games to Lawrence and Wilbraham, but they played much better than they had previously. In the next to the last game, the team experienced its first victory, defeating Williston in a fine game. The last game was lost in a valiant effort against Worcester.

The leading scorer on the team was Captain David Duplissa '71, followed by Jonathan Billet '72 and John Holt '70.

SKIING

Good snow and high spirits combined to bring to the Ski Team an enjoyable, if not entirely successful, season. Among other notable events, the new season brought to the team an experienced skier as its coach. In his first coaching role, Mr. Manspeaker's consistent effort renewed the team's spirit and its desire to win. Toward the end of the season, he was ably assisted by Travis Cresswell, a 1961 Monson graduate, and an instructor at the Mont Tremblant Ski School.

Skiing for the team were returning lettermen Co-captain David Duplissa '71, Glenn King '70, and Buck Leahy '70. New talent was uncovered in Co-captain Greg McMahon '72, Jeff Norcross '71, and Bruce Ingber '71. John McCarthy '71 and Nick Powlovich '69, J.V. skiers last year, improved tremendously during the season.

The team's first meet was lost to Williston, with three of the boys scheduled to race that day in the infirmary. Next, in a triangular meet with Wilbraham and Suffield, Monson again fell victim. Cranwell was next on the schedule and beat out Monson by a slim six points. Then, due to a period of rain, and eventually no snow, the skiers were given a two week reprieve. During this time, meets were cancelled with Kingswood, Pomfret, and Cranwell. After losing to two of its toughest opponents, Lawrence and Cushing, Monson ended the season on a pleasant note by recording back-to-back victories against Tantasqua.

Varsity Basketball — **Back row:** Mr. Carey, coach; McKinney; Delatore; Frederick; Davis; Saex; O'Neill; Garstka, manager. **Front row:** Seymour; co-captains Johnson and Pekrul; Walsh.

This year's Varsity basketball team had a season highlighted by tremendous upsets and staggering defeats. Although the team sported a wealth of ability, there were several games marked with inconsistent shooting and poor ball handling. Seniors Tom Pekrul, George Johnson and Rick Frederick provided a strong nucleus and were supported by underclassmen Kevin Boyle, Jeff Grant, Bob McKinney and Bill Delatore.

The season opened with an early victory over Marianapolis, followed by defeats at the hands of Wilbraham, Suffield and Watkinson. The team then bounced back to beat Cranwell 60–55, only to be beaten in its next two encounters by Cushing and Loomis. The month of February found Monson playing good basketball. The Lions defeated a strong Williston team 66–54, lost narrowly to Pomfret and Kingswood and then defeated Avon 57–52, and Lenox 68–55. The season ended with losses to Lawrence and Mount Hermon.

Co-captains George Johnson and Tom Pekrul deserve credit for their consistent effort and fine overall performances. The "B" team also deserves mention for its loyalty to the team and its high morale.

The Junior Varsity team, coached by "rookie" mentor Mr. Loether, enjoyed a very respectable campaign. The team was well-balanced and worked together as a cohesive group. Captain Ray White and Jeff Grant provided the offensive punch for the club. Grant's mid-season move up to the Varsity hurt the team's offensive, but the slack was immediately taken up by Frank Bill, who became the play-maker for the club. Frank worked his way off the bench into the starting lineup by drive, hustle, and determination. Jim Williams was a superlative rebounder and the big man under the boards for the team.

The team opened the season with strong victories over Marianapolis and Wilbraham. After a hard-fought loss to Suffield, both Watkinson and Cranwell were handed convincing defeats. A mid-season slump found the team losing to Cushing, Loomis, Williston, Pomfret and Kingswood. After a victory over Avon, the season closed with losses to Lenox, Lawrence, and Mount Hermon.

This never works if I don't bite my tongue.

With a 6–5 record, the Basketball III team was the only team to post a winning season on the court. The mainstays of the team were its strong defense and scrappy hustle. Coach Waskiewicz paid special tribute to the performances of John Guarco '71, Perry Wiggins, '71, and Gregory Bejarano '72. The team's best effort was in a losing cause to the traditionally high scoring Eaglebrook team.

With two new coaches at the helm, Mr. Wheelan and Mr. Corbiere, the wrestling team posted its most impressive record since the Academy first organized a team in 1962.

After a pre-season tri-match with Wilbraham and Cushing, Monson opened with a spirited 30–22 victory over Pomfret, its first loss to a Monson wrestling team. After a defeat at the hands of Wilbraham, the team bounced back to crush Darrow by a 45–13 margin. Monson's next most significant victory was over Cushing, the 1968 Class C champions. The season ended with losses to Lawrence and Williston.

On February twenty-third, the team traveled to Cushing for the New England Independent School Class C Wrestling Tournament. After twelve hours of grueling competition, Monson was declared "Number One" — the best Class C wrestling team in New England. For the team, it was a deserving victory — the climax to a long hard season.

In the tournament, Monson captured two gold medals and five silver. The finalists were:

In the 103 lb. class:
  Second Place:
    Harry Stewart-Gordon '72
      New Canaan, Connecticut
In the 110 lb. class:
  First Place:
    Dennis K. Corbett '71

In the basement of Harper Gymnasium, Monson has one of the finest indoor rifle ranges in New England. It is a well lighted ten-point range and is the home range of the Monson Academy Rifle Club and resounds with action from December to March.

The Academy is a member of the Southern New England Independent School Rifle Association and this year fired nine matches in association competition.

Without the benefit of previous experience in shooting due to the suspension of activity in club shooting in 1967–68, the team was comprised of young, untested marksmen.

The result of the first match, a loss to Wilbraham, set a pattern for the entire season. The team, however, did take comfort in the fact that they improved steadily, going from an 804 in their first match to an 865 in their final match against Mount Hermon. The best individual Monson score of the season was a 190 shot by Captain Robert Hall '70, in the Mount Hermon match.

The honor of Club Champion is given to the member who fires the best score for the Junior Civilian Small Bore Rifle Course. There were sixteen contestants involved this year, and James Garlington '70 set a club record for the prone, sitting, kneeling, and off hand positions by shooting a total score of 365. Other accomplished members of the team and club were Captain Hall, Frank Trager '71, Edward Snelgrove '71, Jonathan Billet '72, Mark Anderson '72, Jeffrey K. Grant '72, John Holt '70, and James Walker '71.

Now in its third year, the Student Council has made significant progress toward its ultimate goal of becoming the mature and responsible spokesman of the student body. Under the leadership of Robert O'Neill and the guidance of Mr. Cardone and Mr. Wilkinson, a constitution has been completed which willl serve to guide future councils. The establishment of a Student Court has brought to the Council the added responsibility of dealing with infractions of school rules, providing a valuable learning experience in the problems of decision making.

This year's Council has continued to enthusiastically support a scholarship fund for a deserving Monson student.

In all, the Council this year has illustrated its ability and willingness to handle a wide variety of topics and has established firm groundwork on which future Councils can build.

Student Council

The formation of the Student Court represents a milestone for the Student Council and is somewhat of a unique institution in New England "prep" schools.

On the Court are eleven students — five regular members, two alternates, and four students chosen from the Senior Class, two of whom act as prosecutors and two of whom act as defense counsel for the accused.

The business of the Student Court is not to prosecute, but rather to adjudicate. A student who is brought before the Court may appeal the decision of the Court first to the Faculty Discipline Committee, who brought the case to the Court, then to the Headmaster.

The students of Monson Academy now recognize that a student government can indeed be a moving and vital force on campus.
